An important goal of the Kelley School of Business is to provide students with the highest quality academic experiences in which each student has an equal opportunity to learn. Courses are designed to be challenging and to stimulate your thinking. Courses are designed to meet AACSB accreditation guidelines, and to play an important role in overall curriculum design and degree integrity. Support services provided by Kelley staff are an integral part of the overall academic experience.

This form is designed to allow you to give the Kelley School of Business positive and/or negative feedback concerning a course or other academic or support activity associated with the Evening MBA program. Your privacy will be maintained to the extent possible should the occasion warrant. Please complete the information below and attach your comments or a description of the issue to this form if extra space is required.
