IUPUI Directions and Parking

There are multiples ways into campus. This is what I consider the simplest in terms of getting you to the correct parking garage.

1. From West Street, turn west onto Michigan
2. Turn right (north) onto Blake (it is immediately after the 2nd overhead walkway)
3. Turn right at the stop sign.
4. The parking garage, North Street Parking Garage, is immediately on your right.
5. As you enter, take the ticket and bring it with you.
6. Park wherever you wish and then go to the top (3rd) floor of the garage.
7. There is a walkway that crosses back over Michigan toward the Business building and the Library. That is the one you want to take. There is another one that goes back over Blake; avoid that one.
8. Once you are out of the walkway, go through the glass doors immediately in front of you. You will be on the 2nd floor of the business building.
9. Any room in the 2000s will be on that floor. The rooms in the 3000s are one floor up.
